## First Bike Rodeo Promises Family Fun

WC Kids' first ever Bike Rodeo is being hosted to bring our families outside for an afternoon of fellowship and fun. This new family event is planned for Saturday April 20, in the Walton Chapel parking lot from 2 to 4 p.m. The cost is \$5 per child.

"Bike riding is a great family activity and hobby that can be enjoyed across all ages," said Erin Zajac, event coordinator. "While the event is generally planned to engage with families of kids from preschool through elementary grades, this has become a 'whole family' event that older and younger siblings are always allowed and encouraged to attend."

***We think it will be a great event for families, and we are especially excited for the BMX stunt show!***

All participants should bring something to ride; it can be a bike, trike, bike with training wheels, or other ride on toy for younger preschool and toddler ages. Scooters are also allowed. All riders must have a helmet on while riding at the event. No electric/motorized bikes or toy vehicles will be allowed.

The Bike Rodeo will have two main features: the Bike Rodeo Course, open from 2 to 3:30 p.m., and a BMX Stunt Show focusing on bike safety from 3:30 to 4 p.m. The Bike Rodeo Course will consist of two obstacle courses; a smaller course for the younger or less-experienced riders with smaller and easier to maneuver obstacles, and a larger course that is designed for riders with more confidence. Each course will have a tunnel for riders to go under, cones to weave around, and small ramps to roll over, plus other obstacles that are appropriate for each course level.

In addition to the obstacle courses, there will be a bike path for riders to take a ride with other participants or

## WC STUDENTS TAKEOVER

About 230 people showed up to support our young leaders as they 'took over' the 5:30 p.m. service last Saturday night. It was the first time students ran tech, led worship, preached, and offered communion during a weekend service. It was inspiring!

## Families Gone Fishin'

The Fishing with Dad event is returning this spring! Family members, fathers and grandfathers are encouraged to bring their kids to the White's Chapel Pond on Saturday, April 20 to fish. From 10 a.m. to noon, families will be able to fish at the pond and learn about 'the great outdoors' with the help of a few Game Warden friends.

This event has been offered over the last few years and typically elicits a good response from the

community, weather permitting. Leaders expect many to be in attendance this year as warmer, brighter days are forecasted.

Online registration is strongly encouraged, but the cost is free. Leaders will have extra fishing poles and bait for people to use if they need equipment.

For more information, please contact Rev. Jon Reeves at [jreeves@whiteschapel.org](mailto:jreeves@whiteschapel.org).

# The Sun is Out... And Annie is here!

"The sun'll come out tomorrow, bet your bottom dollar that tomorrow there'll be sun..."

Go ahead, you know you have the words (and the tune) in your head and it is already stuck there. What better song to hum after a week with a solar eclipse?

White's Chapel's Theater 1 will present "Annie Kids" on Thursday and Friday, April 18 and 19 in The Foundry,

and if you have never attended a theater production at White's Chapel, this is a great opportunity to change that.

"Annie Kids" is a musical licensed by Music Theatre International's Broadway Junior collection, specially edited to be performed by children in a shortened form. It is derived from the original Broadway play and includes many of the

same musical numbers familiar to the play and movie.

The story is set in 1933 New York City, where 11-year-old Annie sleeps in an orphanage with many other girls her age. Annie is a happy and cheerful child who comforts the other children while dreaming of meeting her parents. She holds on to the hope that they will come

back for her. Annie decides to escape to find her parents, but is caught by Miss Hannigan, the cruel keeper of the orphanage. Annie escapes temporarily, running into a friendly stray dog.

Back at the orphanage, Grace Farrell, the assistant to the billionaire Oliver Warbucks, comes to the orphanage,

# God in Control

By Dr. John McKellar

Last week I got to take a wonderful post-Easter trip to Charleston, South Carolina. That is a soul place for me; I love the history and the architecture, the food and the people. But I also love getting to be by the ocean. The ocean is a place that always speaks to my soul. For some, it is the mountains. For me, it has always been the water.

Just arriving, after all the business and pressure of Holy Week, I found myself throttling back. My guard came down. My schedule stopped. My constantly racing mind slowed down.

I was reminded of the lyrics in an old Jimmy Buffet ballad:

*"That's when it always happens  
Same time every year  
I come down to talk to me  
When the coast is clear."*

Our second day of golf got rained out. Not just a little rain. There was a huge storm, with moments of 50 mile per hour wind. The ocean was dark and swirling with warnings for boaters to stay off. I kept watching the sea and was reminded of the vastness of God and the depths of His love for all of us. Whenever I watched the relentless waves and unknown depths of the sea, I was reminded that we should never hold onto any illusion of control. There is so much above us and beyond us that we can never really grasp. I thought about God's words from Job 38 of the Old Testament.

*"Where were you when I laid the earth's foundation?  
Tell me, if you understand.*

*Who marked off its dimensions? Surely you know!  
Who stretched a measuring line across it?  
On what were its footings set, or who laid its cornerstone —*

*while the morning stars sang together  
and all the angels[a] shouted for joy?*

*Who shut up the sea behind doors when it burst forth from the womb,*

*when I fixed limits for it and set its doors and bars in place,*

*when I said, 'This far you may come and no farther; here is where your proud waves halt?'*

*Have you ever given orders to the morning, or shown the dawn its place,*

*Have you journeyed to the springs of the sea or walked in the recesses of the deep?*

*Have you comprehended the vast expanses of the earth? Tell me, if you know all this.*

*Who cuts a channel for the torrents of rain, and a path for the thunderstorm,*

*to satisfy a desolate wasteland and make it sprout with grass?*

*Can you raise your voice to the clouds and cover yourself with a flood of water?*

*Do you send the lightning bolts on their way? Do they report to you, 'Here we are?'*

*Who has the wisdom to count the clouds? Who can tip over the water jars of the heavens..."*

The ocean reminds me of who is really in control, who is truly worthy of our worship, and of the one who can be trusted. The ocean humbles me before the Creator. I need regular trips to the ocean. Not to improve my tan or work on my golf game, but for humility and healing. I think we all need that reminder on a regular basis.

Pastor Todd and I want to thank you for an amazing Lenten season that culminated with our Easter worship. Truly we felt focused on the Lord's blessings... and when we count ours, the privilege of serving as your pastors is at the top of our list!

asking for an orphan to spend Christmas at his mansion. Seeing how poorly Miss Hannigan treats Annie, Grace insists on taking her.

"Doing a classic like Annie is so exciting!" said Music Director Julie Blalock. "People have a lot of expectations when it comes to iconic characters like Ms. Hannigan or Mr. Warbucks. It is fun to put our own spin on these characters while keeping the original personalities in mind."

Blalock is assisted by Eleni Brooke, as well as Ann-Marie Heilman in choreography. The play's crew is Libby Dodson, Cade Lewis, Emily Petersilge, and Sam Thompson.

Tech will be handled by the WC Productions staff, and lighting is being designed by WC Productions newcomer Weston Sambrano. Numerous parents have generously volunteered during rehearsals to help us manage kids during breakout sessions.

One new element to this production is the use of a live animal. "The character 'Sandy' is a small, non-speaking role, so we decided to use a real dog," said Blalock. "Rehearsing with the dog has been challenging, but I'm confident she

will bring a whole new level of fun to the performances!"

WC Kids Administrative Assistant Erin Schechter volunteered her dog, Delilah, to play the role.

"Delilah is so grateful for this opportunity," laughed Schechter. "She loves attention and is really enjoying all the extra treats!"

The cast includes Lilly Alsop, Christian Appleby, Annabelle Balson, Aliza Banks-Kircher, Kaci Bear, Eden Brannon, Gracie Brannon, Rocco Brunelle, Bailey Callaway, Brynn Cordrey, Jeana Douglas, Martin Flight, Waverly Frederick, Ben Hedman, Phoenix Heilman, Harper Hondzinski, Truman Hopkins, Blair Horsley, Ava Hrycushko, Ayda Jayes, Brayton Kennedy, Jacob Lee, Acadia Lester, Nate Lester, Asher Lewis, Katherine McLaughlin, Hailey McMaster, Allie Mendrygal, Paige Mitchell, Matea Molina, Channing Morgan, Ellie Mulligan, Brisbane Myers, Lauren Oporto, Aria Parish, Amulya Raghupatruni, Evelyn Sinclair, Catherine Schad, Anika Shah, Poppy Thompson, Emmitt Waterstreet, Brooklyn Weir, and Emma Young.

With classic tunes "Tomorrow," "Maybe" and "It's a Hard Knock Life," the play is truly a treat for the audience. The show begins at 7 p.m. both evenings. The cost is free to attend. Come as you are but remember: **You're never fully dressed without a smile!**

with their family and is planned to be a safe place to cruise. All riders will have an opportunity to take their specific ride-on through the wash station, using spray bottles and sponges to clean up their ride. All registered participants will receive a license plate to customize and attach to their bike, or ride-on, and a set of spoke beads to give the wheels a little sound and color.

At 3:30 p.m., all participants are invited to gather in the East Parking Lot to watch the BMX Stunt Show. The BMX athletes will perform "high flying action" stunts and tricks. The show will last approximately 30 minutes and will incorporate bike safety.

"We are all really excited about this because it is new and different," said Zajac. "We think it will be a great event for families, and we are especially excited for the BMX stunt show!"

"I have heard of Bike Rodeos, but I have never attended one. The idea was mentioned in a WC Kids department meeting, and we all loved the idea. We weren't exactly sure what it would look like, but thought it would be fun, as well as a new activity for our program."

Zajac has been working at White's Chapel since May of 2021, and attended White's Chapel in High School. She returned with her own family and kids in 2014.

"Families are very busy these days," said Zajac. "I am always looking for new and exciting opportunities to engage families, and to bring new families to our campus. For a family looking for their church home, I hope an event like the Bike Rodeo gives them an opportunity to check us out, bring the kids to a fun event to get them excited about the church and coming back on a Sunday morning."

"Sunday mornings are always so busy as a parent getting kids dropped off for Sunday School and then in to church or adult Sunday school," she said. "Families may see each other coming and going

but they don't always have the time to socialize with each other. I feel like it is so important to build friendships and community with other church families. As a parent with three children, I want my kids to build connections with their peers from Sunday School. Having family events allows time for families and kids to see each other in a more social capacity, where the kids can play and get to know each other more, and parents can make connections with other parents they may see in the hallways on Sundays."

Zajac has arranged for MAD Duck Cyclery from Grapevine to be on site, providing bike and helmet safety checks for participants. Southlake Police and Fire Department representatives will also be on campus as their schedule allows to interact with families and help with safety. Families should pre-register so they can complete the waiver to participate and to help ensure that materials/

supplies can be purchased and prepared accordingly. Registered participants will receive a goody bag at the check-in table at the event. Participants can register on the WC Kids website.

Volunteers and helpers are also welcome.

"We would absolutely love to have volunteers to station throughout our obstacle courses, bike path, and bike wash station to help keep riders safe, monitored, and to be available to help riders maneuver the obstacle courses if needed," said Zajac. "middle and high school students looking to volunteer for community service hours are welcome! Adults are also welcome to volunteer. Anyone interested in volunteering is welcome to contact me."

In conjunction with the Bike Rodeo, our April WC Kids offering/mission is a helmet drive to donate to kids in need. Leaders will be collecting new, unused helmets during the Bike Rodeo as well.

In the event of rain or inclement weather, a rainout date is scheduled for Saturday, April 27.
